FOURTH SEMI-ANNUAL CONSIGNMENT SALE IN WINSTON-SALEM, NC

GENERAL INFORMATION AND VOLUNTEER HELPER POLICIES FOR SPRING 2010

Organizing and putting on the Winston-Salem area WeeRuns sale event will require the efforts of lots of volunteers! In addition to being fun (getting out of the house for a few hours and conversing with adults!), your work shift will entitle you to shop early...before the Friday crowd and ALL the consignors on Thursday night! We ask only that you commit to one 4-hour shift. You may choose any available shift on any date.

Or you may wish to be a VIP helper. Our VIPs shop before anyone else, on Wednesday, March 17 (5:30 - 9:30 pm). These special helpers commit to two volunteer shifts. One of these shifts **MUST** be a breakdown shift (Tuesday, March 23 - Wednesday, March 24). In order to ensure an exceptional shopping experience, we can accept only a small number of VIP helpers.

We'll also need some strong backs for fixture set-up and breakdown shifts on Saturday, February 27; Friday, March 26 and Saturday, March 27. You or your husband can earn you a VIP pass by agreeing to work just one of these shifts.

As long as you uphold your commitment to WeeRuns and work your scheduled shift for the **FULL** four hours, you will remain eligible for future sales. In other words, women who come late, leave early, or forget to show up at all (even after the reminder phone call) will not be eligible to sell, help or shop early for future sales. If you find that you will be unable to work your scheduled shift and notify us of this before Sunday, March 14, we will **TRY** to find someone to work your shift for you. However, if you either don't notify us, or fail to notify us by the March 14 deadline, we have no way to fill your shift for you; therefore, this responsibility becomes yours. You will need to send someone else to work your shift. Of course, whomever you send will be allowed to shop the Helper Sale in your place. If you do not send someone, again, you will become ineligible to help or shop early in the future.

We suggest that our volunteers wear comfortable, but appropriate, clothing for the shift(s) they have selected, and bring their own snacks and drinks. Work aprons and nametags will be provided.
